

WORKSHOP

THE PRACTICE OF TRAVEL MEDICINE

INCLUDED IN FULL
CONFERENCE
REGISTRATION OR
AVAILABLE AS
WORKSHOP-ONLY
TICKET.

The Practice of Travel Medicine workshop for the travel health professional offers valuable interactive content and information for nurses and medical practitioners alike covering aspects of pre-travel consultation, advice on typical presenting problems and more including:

- Skin care;
- A rabies update including a case study;
- Arthropod-borne diseases update;
- Preparation of the diabetic traveller;
- Water purification; and
- Open discussion forum that includes GAP travellers.
