# 5th Annual Southern Cross Travel Medicine Conference and the Inaugural Southern Cross Tropical Medicine Conference

Friday 16 - Sunday 18 September 2022 - Hilton Hotel Brisbane

## Theme: Back to the Future

We are excited to announce the 5th Annual Southern Cross Travel Medicine Conference and the Inaugural Southern Cross Tropical Medicine Conference! Hear from local and international experts on travel medicine and tropical medicine, and participate in interactive workshops.

## Introducing our 2022 international speakers

### Prof Davidson H. Hamer, M.D.

Davidson Hamer, MD is a Professor of Global Health and Medicine at the Boston University Schools of Public Health and Medicine. He is an infectious disease specialist and medical epidemiologist with particular interests in emerging diseases, tropical medicine, travel medicine, infection control, and antimicrobial resistance.

### Dr Patrick Lammie, PhD

Patrick Lammie, PhD, is the Director of the Neglected Tropical Diseases Support Center (NTD-SC), a program of The Task Force for Global Health (USA). He spent more than 25 years as a senior staff scientist in the Disease Elimination and Control Group in the Division of Parasitic Diseases and Malaria at the US Centers for Disease Control and Prevention.
